

27 March 2020

Dear Parents/Carers

The government have concluded that all examinations including GCSE, GCE & BTEC exam/assignments will not take place during May and June 2020. The awarding bodies are working with the Department for Education and the regulators in these difficult circumstances to develop a fair and consistent process to support students.

Each student will be given a calculated grade for each subject, which reflects on their performance as fairly as possible.

Clear guidance on how the calculated grade will be provided to schools and colleges on how to do this fairly and robustly soon, once further information has been released from the government, The Oxford Academy will update the school website with further information. All parents will be updated once the information is on the school website.

There will also be an option to sit exams early in the next academic year for any students who wish to. Students may also choose to sit exams next summer.

Further details can be found on the government website:

Yours faithfully

Exams Team
