

24 June 2020

Dear Parents/carer

I am happy to announce that your child is now able to borrow a school library book by either emailing gaynor.pollard@theoxfordacademy.org.uk with their book request or reserving it via the library catalogue. The catalogue can be found on the school website via RUnify, students can log on using their school email and date of birth.

If you are unsure which book to choose you could also give me a suggested genre and I will look up their borrowing history to enable me to issue a suitable book.

Books will be available for collection on a Friday morning from 9am – 1pm (Term time only). Only students who have requested a book can come to school to collect it, you will not be able to enter the library to choose a book. Unfortunately, any student that has already borrowed a book will need to return it before being able to borrow a further book.

Kind regards

Gaynor Pollard

Mrs Gaynor Pollard
LRC Manager
