

21 July 2020

Dear Year 11,

I am writing to you to wish you the very best in whatever you decide will be the next steps in your education. I understand how disappointing it must be that Covid-19 has taken the opportunity from you to sit your exams, attend the Year 11 prom as well as all the other rites of passage that Year 11 brings.

It has honestly been a pleasure to be the Head of Year 11 and I have enjoyed getting to know you all and your parents since I started working with you in Year 8. The way in which you had begun to focus and really apply yourselves to exam preparation before the lockdown was very impressive. It is this level of responsible, determination and dedication that will enable you to achieve whatever career you desire.

Mr King, Miss Ward and I are truly disappointed that we did not get to say a proper goodbye to you all but, if I can be of any assistance then feel free to email me on the address below.

There will be more details and further communication outlining the date, time and structure of results day that will take place over the summer. I look forward to seeing you all on results day.

Best wishes and take care,

Mr Mangan
