

## Letter for Y11 parents/carers

28 July 2020

Dear parent/carers,

Although this year has brought many challenges, we are still looking forward to celebrating the success of our Y11 students on Thursday 20 August. The results that will be released to students on this day are those that the exam board will issue, following their standardisation process. More information regarding this can be found here:

To support social distancing, we will be inviting small groups of students in at allocated times. Family members and friends will not be able to attend on the day. Students will enter through reception and make their way up to the sixth form area. Results will be collected from the common room and then each student will have the opportunity to meet with a member of staff to discuss their results and support them with their next steps. Students will then leave via the back stairs. There will be staff at relevant points to support the students with these arrangements.

You will receive a text message to confirm your son/daughter's allocated time.

With best wishes,

*Abi Banks*
