

## Letter for Y12 and Y13 parents/carers

28 July 2020

Dear parent/carers,

Although this year has brought many challenges, we are still looking forward to celebrating the success of our sixth form students on Thursday 13 August. The results that will be released to students on this day are those that the exam board will issue, following their standardisation process. More information regarding this can be found here:

To support social distancing, we will be inviting small groups of students in at allocated times. Family members and friends will not be able to attend on the day. Students will enter through the gate at the front of the building that is between TOA and Mabel Pritchard School. There will be a member of staff waiting to welcome them and show them into the library. Students will then collect their results, have an opportunity to talk to staff if they wish or need any support with their next steps. Students will then leave through the side door of the library. There will be a member of staff collecting destination information for Y13 students as they leave.

You will receive a text message to confirm your son/daughter's allocated time.

With best wishes,

*Abi Banks*
