Message from Mr Michael O'Hanlon, Head of Sixth Form @TOA6

Thank you for showing an interest in studying at TOA Sixth Form. At TOA6, we see every student as a unique individual. We care about you and your future. Sixth Form is an important time in your life. It is an opportunity for you to focus on a smaller number of subjects and start to develop specialist knowledge, skills and expertise. You will also have the chance to develop new friendships. Whether you want to go university, enter employment or pursue an apprenticeship, TOA6 will enable you to reach your ambitions.

All students at TOA6 will study A-levels, BTEC Level 3 or a combination of the two. In addition to your main programme of study, you will be able to pursue an EPQ on a topic which interests you. You will also have a bespoke careers, UCAS and enrichment programme to help you realise your future ambitions.

Please click the link below and complete the Expression of Interest Application Form for TOA6:

Once you have completed the form we will contact you to arrange a one-to-one consultation. This will be a chance for us to discuss your future in detail and help you to identify the best pathway for you, whether this is university, apprenticeship or employment.

Whether you have a particular career ambition in mind, or if you are unsure about what you want to do, our one-to-one consultations will be a chance for you to discuss the best possible route for you.

If you have a question or want any information, advice or guidance, please do not hesitate to contact us:
